As a flagship of our five-star fleet the Amsterdam is a standard bearer for the line - the very best of the best. And from stem to stern, elegant art and antiques fill the ship - over \$2 million worth, including the ornate Astrolabe clock tower and carillon in the atrium. You have Casino Action, the best this side of Las Vegas. Tennis Courts, Lido Pool, Wading Pool and Whirlpool, Outside Pool and Ocean Spa & Gym on the Lido Deck. You have an Internet Café, Puzzle Room, Art Gallery, Shopping Arcade, Rembrandt Lounge, Boutique, Erasmus Library, Sports Bar, Ocean Bar, Explorers Lounge for smooth music, complimentary espresso and hand-dipped chocolates. At the Wajang Theatre you have popular recently-released movies: comedies, dramas and thrillers and the hot buttered popcorn is complimentary. The night is magical with the production Las Vegas-style shows. Every night a new galaxy of stars appears in our sophisticated two-tiered show lounge.

Scenic cruising Glacier Bay National Park – no one shows you Glacier Bay like Holland America, with more visits than any other cruise line. Witness a world still emerging from the Ice Age – 16 tidewater glaciers in action. In Juneau, you can fish for salmon alongside a bald eagle in some of the best fishing grounds in southeast Alaska. Or take a helicopter over the huge Juneau Icefield to land on a glacier. Sitka has bald eagles perched in the spruce and cedar trees. Russian Alaska is represented in a lively performance by the New Archangel Dancers. View holy paintings of the Czarist days, visit recuperating eagles at the rehabilitation center and hear the amazing story of the Cathedral fire and Sitka's mad furry to save the church's icons and religious treasures. Ketchikan's 19<sup>th</sup> century commercial fishing, canning and logging industries drew hearty workers who added raucous side to the city history. Stroll the boardwalk that once led to Ketchikan's red light district. Victoria, B.C. has high tea at the Empress Hotel. The Museum of Natural History or charming downtown lives up to its British-flavored name with double-decker buses, turreted castles, fine British woolens and delicate china. A coach-ride away, the Butchart Garden earns every superlative of its impeccable reputation for glorious blooms and redolent scents.

There are few places left on earth that are as well preserved and as verdant as Alaska. Vast and lush, teeming with wildlife and carved by nature, it is an artist's and poet's paradise. Mother Nature preserved by father time. Now, you can experience Alaska as it was and as it is.
