Submit the following information in your request – home/cell no., home address and home email address. Once this info is entered, our database will email your 2018 member card to you as a .pdf file to print.

Cards are no longer printed and distributed, they are only emailed. Our mbr database is maintained on an L3 server and is only accessible by E-Club Board of Directors. It is not accessible outside the L3 firewall.

Your 2017 E-Club card password will be reactivated on our website to provide access until all 2018 cards have been processed.
