***** NOTICE TO E-CLUB MEMBERS *****

Specifically to those that have NOT yet received their 2018 E-Club Member card.

We have updated our membership database and are filling in missing information. We are also having issues with requests for lost cards submitted through the www.e-club.org website. The switch to OS365 has prevented requests from being received.

Please submit a request for your card through e.club@L3T.com. This is our E-Club mailbox and requests will be filled as received. Please be patient as there will be many to process. Submit the following information in your request – home/cell no., home address and home email address. Once this info is entered, our database will email your 2018 member card to you as a .pdf file to print.

Cards are no longer printed and distributed, they are only emailed. Our mbr database is maintained on an L3 server and is only accessible by E-Club Board of Directors. It is not accessible outside the L3 firewall.

Your 2017 E-Club card password will be reactivated on our website to provide access until all 2018 cards have been processed.
